We love pets!

At Lakeland we believe pets are part of the family. We enjoy having them around but please remember: All dogs must be leashed when outside the trailer. When walking your dog, please pickup after them and don't leave them unattended. Thanks!

Sewer Notice

In order to maintain the current cost of sewer service it is imperative that only RV toilet paper be used in the sewer system. No grease, oil, napkins, paper towels or tampons into the sewer system as the grinder pumps can break and clog the system. You may be billed for any repairs if you're responsible for any damage.
